In 2013 she was shipped to Australia to compete in the TP52 Southern Cross Cup Series as 'Team Beau Gest'" winning all four events. As "Team Beau Geste" she was set up to the 2013/14 IRC rule.</p> <p>In 2014 'Team Beau Geste' has had a clean sweep in Australia winning the NSW State Championship and Audi IRC Australian Championships. Her record was seven wins in a row against very competitive TP52's and other current IRC yachts at the time. Her result are compelling.</p> <p>Since she was built 'Secret Men's Business' has been under full time guardianship by a series of professional and capable yacht managers. She is in immaculate condition and has had no expense spared by any of her owners. Her current manager is also the owner of the Doyle Sail loft in South Australia and as a result is a beneficiary of current sail technology and a wardrobe that rarely goes without.</p> <p>As one of the most competitive TP52's ever built, 'Secret Men's Business' still has the ability to compete in any regatta at the highest level.</p>
