DESIGN

Builder:	Lagoon Catamarans
Design Notes:	Lagoon, the world's number one cruising catamaran, is a brand of the Beneteau Group. The boat has a length of 20.55 meters and a beam of 10.00 meters, making it large enough to offer ample living space, yet agile enough to navigate any type of water. In addition to its size, the Lagoon Sixty 7's design is impressive. The boat features a long, elegant bow and a flybridge with a streamlined design that offers breathtaking views of the sea. The boat's interiors are equally impressive, with a spacious living room and galley that are equipped with the latest amenities and technology. Panoramic windows offer stunning views of the sea and allow natural light into the boat's interior. The Lagoon Sixty 7 also boasts impressive features such as a spacious deck lounging area, a swim platform with a ladder, an al fresco dining area, and a barbecue. All of this makes the boat perfect for those looking to enjoy an unforgettable vacation at sea, with all the comforts and luxuries they could desire. In short, the Lagoon Sixty 7 is an exceptionally designed boat that offers an exceptional cruising experience at sea.
