BROKER'S COMMENT:

Exceptional Carkeek 50 For those seeking peak performance in offshore racing, With all-carbon construction

DESCRIPTION:

For those seeking peak performance in offshore and inshore racing, this exceptional Carkeek 50 is designed for yacht racing. Built in 2025 by M-Boats in Argentina.
With all-carbon construction:

- Built the carbon keel
- Machined the lead bulb at southcomposites
- Manufactured the carbon rudder and bowsprit
- Extended the original high-modulus carbon mast
- And fabricated key internal structure elements

This is a rare opportunity to own a race-ready performance yacht that delivers top-level results on the racecourse.
