Sailing on board a VO70 is not just a race - it's an oceanic adventure.

DESCRIPTION:

Hypr VO70 - Ex Camper

Sailing on board a VO70 is not just a race - it's an oceanic adventure. This type of yacht represents the pinnacle of offshore racing design and technology, capable of impressive speeds and delivering a unique thrill.

Warrior was meticulously refit and upgraded in 2016, and includes extensive spares and support containers. Ready to send around the world for continued grand-prix racing and record-setting.

Refit and Upgrades 2016

In 2016, Warrior underwent a complete refit and series of performance upgrades at the Longitud Cero facility in Burriana, ESP. Design and engineering was overseen by Carkeek Design Partners. As part of the refit process, team staff removed, inspected, and serviced every item of deck hardware and winches on the yacht, replacing fresh following the paintjob.
