### BROKER'S COMMENT:

Designed for sailors who crave both performance and comfort, it combines sleek

## DESCRIPTION:

Like new - Clean, elegant lines and a lowered cab roof. Inside, the design is strikingly contemporary with light wood finishes.

The **First 50** is unabashedly beautiful and boldly perfect.

Designed for sailors who crave both performance and comfort, it combines sleek, responsive lines with a spacious, light-filled interior that feels right at home at sea.

Go down to the deck to find stylish cabins, a fully equipped galley, and comfortable living spaces perfect for evenings with family and friends after a day of adventure.

Up on deck, the cockpit is intelligently designed for effortless handling, whether you're racing offshore or exploring secluded coves along the coast. Every detail, from its advanced rigging to its modern navigation systems, has been meticulously maintained, ensuring it's ready to sail right out of the box.

The **First 50** is more than just a yacht; it's your stylish gateway to unforgettable experiences, exhilarating passages, and sunsets that can only be found on the water. Sail fast, live well, and make every voyage extraordinary.

Notes:

- UK flag (with all paperwork up to date and all equipment required by the UK and Spain).
- If desired, the owner can move it to any location after purchase.
- Very competitive in [ORC](#) With [ORC 2026](#) CERTIFICATE

## DESIGN

---

Builder: Beneteau

Designer: Philippe Briand

Design Notes: The [Beneteau First 50](#) sailboat is a renowned vessel in the "cruiser-racer" range built by the French shipyard Beneteau.

The First 50, designed by [Philippe Briand](#) and launched around 2006-2007, is known for being one of the fastest and most contemporary-styled models in the 50-foot range.

Naval Designer: The hull and waterline design was created by Philippe Briand.

He drew inspiration from his megayacht designs, aiming for racing performance with elegant lines.

Interior and Styling Designer: The interior design and deck styling were the work of [Nauta Design](#) (Italy), in collaboration with Veerle Battiau.

Builder: Beneteau (France).
