DESCRIPTION:

Timeless elegance. Rediscover the pleasure of sailing.

Designed by Joubert & Nivelt and built in France by Latitude 46, the Tofinou 8 combines classic yacht styling with the lively response of a modern daysailer. Her graceful profile, warm timber finishes and inviting cockpit create an unmistakable presence on the water.
Ideal for relaxed coastal outings or spirited sailing with a small crew, she offers an engaging experience for owners who appreciate both craftsmanship and performance.
This 2008 example benefits from an **extensive refit completed between October and December 2025**. Highlights include a **new Yanmar engine, renewed standing rigging, replacement teak decking and new headsails. Raymarine instruments and an autopilot complement her sailing inventory.**

A distinctive opportunity to enjoy an elegant French daysailer with substantial recent investment.
