BROKER'S COMMENT:

An excellent example of a true performance cruiser. BARRACUDA combines X-Yachts' renowned build quality, outstanding sailing potential and cruising comfort.

DESCRIPTION:

The Perfect Balance of Speed, Luxury and Freedom.

The **X-Yachts XP 44 "BARRACUDA" (2021)** represents an exceptional blend of Scandinavian craftsmanship, exhilarating sailing performance and refined cruising comfort. Built in Denmark by the renowned X-Yachts shipyard, this 13.29-metre performance cruiser is designed for discerning sailors seeking speed, precision and versatility without compromising onboard comfort.

Featuring a striking **Black Grey (RAL 7021) hull**, a deep 2.65 m performance T-keel and a carbon bowsprit, BARRACUDA delivers responsive handling, excellent upwind capabilities and impressive sailing efficiency. Her performance-oriented deck layout and advanced sail-handling equipment provide an engaging yet manageable sailing experience.

Below deck, a thoughtfully designed **three-cabin interior** offers a welcoming and comfortable environment for family cruising and extended passages. A comprehensive specification, including B&G navigation electronics, bow thruster, heating, air conditioning, Flexiteek cockpit decking and a reliable 57 hp diesel engine, enhances both convenience and independence at sea.

CE Design Category A - Ocean certified, BARRACUDA combines offshore capability with the agility and excitement of a genuine performance yacht.

Currently located in **Barcelona, Spain**, this highly specified XP 44 is an attractive opportunity for sailors looking for a modern, capable and beautifully engineered performance cruiser, equally at home on fast Mediterranean passages, offshore adventures or competitive sailing.
