BROKER'S COMMENT: NICE RACER

DESCRIPTION:

Very competitive IRC optimized 32-footer. Designed by Jason Ker for all-round performance and is one of those IRC designs that keep on winning. Good in both short up/down races and coastal/offshore races. Very capable of doing the Fastnet (4th in 2005). The current owner invested heavily in preparing the boat for optimal performance: The boat is ready to win! The boat was previously known as Checkmate and has since been upgraded extensively (list can be found below), including new sails, paint etc. The vessel has a tremendous pedigree, a proven IRC performance (both self, and her sisters').
