The yacht is built in 2002, but launched in 2003. The yacht is from the second owner since 2007. Since 2008 she has been cruising and racing in the Baltic Sea with less salt and UV. She has undergone large professional refit in the year 2016 and lot of updates annually. The yacht is very well equipped and professionally maintained. She is spacious two cabin version with high sailing performance and great rating for racing. She is now converted into Baltic Sea with 2,4m keel for ORC-rating and cruising, but easily convertible to one design Swan 45 racing. Optional is the OD race keel.
