BROKER'S COMMENT: Silurian's spaciousness and her impeccable manners when towed behind a Superyacht make her the ultimate tender or chase boat.

DESCRIPTION:

Silurian's spaciousness and her impeccable manners when towed behind a Superyacht make her the ultimate tender or chase boat. For the modern Superyacht, the Silurian is a stylish complement that positively enhances the on-board experience of your guests. As the ultimate fast, comfortable and dry tender it is equally accomplished at transporting your guests in luxurious comfort to port or to far-flung bays, islands or restaurants – the exhilarating experience of extended cruising without having to move the mothership. has a hull that is the most stable on the market with all the benefits you expect of a Scorpion RIB plus unrivalled fuel efficiency. The Silurian is also Sir Ben Ainslie's choice to support his America's Cup World Series team. As a safe, dry, stable platform nothing can touch the Silurian's ability to cover great distances at any speed, irrespective of conditions.
